Dear Mr. Hoppock:

This responds to your correspondence received in this Office on October 15, 2018 seeking records from U.S. Immigration and Customs Enforcement.

Please note that the principle administrative function of the Office of Information Policy is the adjudication of appeals from the denial of access to information pursuant to the Freedom of Information Act and the Privacy Act of 1974 by components of the Department of Justice. This Office does not have the authority over requests submitted to components of the U.S. Department of Homeland Security. Accordingly, there is no action for this Office to consider, and I am closing your files in this Office. I regret that I cannot be of any further assistance to you in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Sean O'Neill", with a long horizontal line extending to the right.
